Inclement Weather Policy Reminder

On those days, when due to adverse weather conditions, the Essex County Boards' busses are not running, UMEI students should not come to school. The school may be open, but classes will not take place.

If this happens during examination week, the missed exam will be written on the first day back to school after the snow day.

In case of heavy fog, parents are to use their discretion as to when they think that it is safe to drive to school.

Recruiting Events

February has two events planned for recruiting new students. We'd appreciate your help in advertising and supporting these activities.

On February 3 we'll be having an evening **Information Tour** of UMEI. This event is designed primarily for parents who'd like to find out more about UMEI Christian High School.

On February 26 we will be hosting grade 8 students at our **Lightning Live at UMEI**. It will be an opportunity for Grade 8 students to spend a day at the school, getting a great taste of what UMEI is like. We're excited about this special day!

SHOP UMEI

This program has many purposes; to generate funds for UMEI and to assist current and future UMEI families with tuition.

We encourage all families to become involved. Currently 35 UMEI families are actively participating in this program along with 32 future families. If you need ideas on how to make it work for you, call Elfrieda Brown at 519-326-9209.
